How do I make changes to my plan?

You can contact us at anytime to discuss any changes you want to make to your plan. If you purchase a plan and pay in a single payment or over 12 months, you can upgrade your plan and you will be required to pay the difference

between what you initially paid and the current price of the new plan you require. If you wish to downgrade your plan you will receive back the difference between the current cost of your new plan and the price originally paid. There is no charge for making these changes. You cannot upgrade or downgrade a plan paid over 5 or 10 years. If your needs change and you wish to cancel your plan please see the section below 'How to cancel my Plan' for details.

When and how do I pay?

Single payment or 12 months interest free

Payment can be made by a single sum of £1,499 or by interest free monthly instalments over a maximum of 12 months (£124.91 per month). The plan price includes an administration fee of £600.

If you decide to pay in 12 monthly instalments and you die before all payments have been made, please see the options available to your Nominated Representative in the section below.

5 year and 10 year instalment plans

We also offer 5 and 10 year payment options, available to anyone between 50 and 74 years old. Monthly instalments depend on your age, and you will pay more for your plan. For example, a 62-year-old will pay £29.95 per month (£1,797.00) for a 5 year plan, or £18.02 per month (£2,162.40) for a 10 year plan. Monthly instalments include an administration fee of £5.60 (5 year) or £3.75 (10 year). Please see the leaflet entitled Distinct Cremations Pricing for full pricing details. If you die within 12 months (the moratorium period) of the plan start date, please see the options available to your Nominated Representative in the section below.

You can find more information in your Prepaid Funeral Plan Terms and Conditions.

What happens if I miss a payment?

If you fail to make an instalment payment, we will contact you to ask you to make payment.

If we do not receive payment, and you then go on to miss the following scheduled payment (meaning two consecutive payments have been missed) we will again contact you to ask you to make payment. If we do not receive payment before the third scheduled payment we may cancel your plan. If your Plan is cancelled, you will not be able to restart it. Please contact us immediately, if you are having difficulty paying for your plan.

Single payment or 12 months interest free

If we cancel your plan due to two consecutive missed payments, we will refund to you any money paid to date and we will be under no further obligation to provide the services set out in this document.

If you die before your plan is fully paid, and your plan has not been cancelled, the Nominated Representative can pay all outstanding instalments so the funeral can take place.

5 year and 10 year instalment plans

If we cancel your plan within 12 months (the moratorium period) of the plan start date due to two consecutive missed payments, we will refund to you any money paid to date and we will be under no further obligation to provide the services set out in this document.

If we cancel your plan due to two consecutive missed payments and 12 months have passed since the plan start date, you will not be entitled to a refund, and we will be under no further obligation to provide the services set out in this document.

If you die after 12 months of the plan start date and your payments are up to date, there will be nothing further to pay. Your Nominated Representative or estate will receive the services outlined in your Plan.

You can find more information in your Prepaid Funeral Plan Terms and Conditions.
